We cordially invite you to attend the ribbon-cutting for Metro's North Hollywood Station Underpass. The new pedestrian underpass is a major safety improvement for Metro customers in the San Fernando Valley and will provide a convenient, direct connection between Metro's Red Line and Orange Line Stations in North Hollywood. Following the official ribbon-cutting on the plaza level, guests will be the first to walk down through the new tunnel to the Red Line Station mezzanine.

Details:

Date: Monday, August 15, 2016

Time: 11 a.m.

Location: Metro Orange Line Station

Address: 5373 N. Lankershim Boulevard, North Hollywood, CA 91601

We hope you will join us for this exciting celebration. Please RSVP to confirm your attendance to Karen Swift, Community Relations Manager, at swiftk@metro.net or by phone at 213.922.1348.
